## CONTENTS

| Synthesis, Characterization, Docking and In-Vitro | 85 |
| :--- | :--- |
| evaluation of newly Synthesized Thiazolidinones |  |
| Aisha., Raza, M. A., \& Farwa, U. |  |
| The comparison of classical and newly designed | 92 |
| anthropometric indices in the assessment of |  |
| dyslipidemia |  |
| Sohail, M. M., Fatima Ameer, F., Singh, G. C., \& |  |
| Zaid, M. |  |
| Prevalence of helminths in the intestine and fecal | 102 |
| material of infested chicken in district malakand |  |
| of Pakistan |  |
| Khan, S. A., Ansari, F., Aslam, S., Hussain, A., |  |
| Hussain, M., Mahmood, M., Muhammad, A., Ali, |  |
| R., Aslam, A., \& Ali, F. |  |
| Proximate composition and antimicrobial analysis | 107 |
| of cinnamon collected from various regions of |  |
| Asia; A comparative assay |  |
| Sarfraz, S., Ameer, S., Reena Ambreen, R., |  |
| Sikandar, S., Nawaz, S., \& Saleem, Y. |  |
| A Rampant Increase in Oral Cancer Trends in | 114 |
| Pakistan during the Period 2010 to 2016 |  |
| Mehmood, A., Khan, Z., \& Malkani, N. |  |
| Cost-effective production of bioethanol from low- | 120 |
| quality apples by using Saccharomyces cerevisiae |  |
| Aftab, S., Hamid, A., Mahjbeen., Tariq, J., Ali, Z., |  |
| \& Zafar, A. |  |
| Production of dextransucrase by locally isolated | 126 |
| bacterial strain |  |
| Khalid, A., Hameed, U., \& Haq, I. U. |  |
| Uv/vis spectrophotometric quantification of | 134 |
| vitamin c in leafy vegetables under different |  |
| storage conditions |  |
| Mushtaq, M. W., Khan, N. J., Dogar, N. A., |  |
| Hameed, A., Hameed, A., Adil, M., Ifthikhar, H., |  |
| \& Ishaq, S. |  |
| Effect of substrate for extending post-harvest | 141 |
| sustanability and freshness in commercial |  |
| varieties of gerbera (Gerbera jamsonii) |  |
| Shah, M. H., Rehman, R. U., Shah, R. A., Rafique, |  |
| R., Usman, M., Bibi, S., \& Yaseen, S. |  |

| Role of taurine supplemented lsm based diet on | 151 |
| :--- | :--- |
| adc of nutrient and mineral retention in Cyprinus |  |
| carpio juveniles |  |
| Shahzad, M. M., Khalid, F., Faheem, M., Shah, S. |  |
| Z. H., Bashir, S., \& Khan, S. M. |  | adc of nutrient and mineral retention in Cyprinus carpio juveniles

Shahzad, M. M., Khalid, F., Faheem, M., Shah, S. Z. H., Bashir, S., \& Khan, S. M.
